

During our visit in Sweden we sang the song about recycling, reusing, reducing by Jack Johnson. this song is perfect for our Project aims so we decided to sang it together .

### JACK JOHNSON LYRICS

#### "The 3 R's"

**Three it's a magic number  
 Yes it is, it's a magic number  
 Because two times three is six  
 And three times six is eighteen  
 And the eighteenth letter in the alphabet is R  
 We've got three R's we're going to talk about today  
 We've got to learn to  
 Reduce, Reuse, Recycle  
 Reduce, Reuse, Recycle  
 Reduce, Reuse, Recycle  
 Reduce, Reuse, Recycle**

**If you're going to the market to buy some juice  
 You've got to bring your own bags and you learn to reduce your waste  
 And if your brother or your sister's got some cool clothes  
 You could try them on before you buy some more of those  
 Reuse, we've got to learn to reuse  
 And if the first two R's don't work out  
 And if you've got to make some trash  
 Don't throw it out  
 Recycle, we've got to learn to recycle,  
 We've got to learn to  
 Reduce, Reuse, Recycle  
 Reduce, Reuse, Recycle  
 Reduce, Reuse, Recycle  
 Reduce, Reuse, Recycle**

**Because three it's a magic number  
 Yes it is, it's a magic number  
 3, 3, 3  
 3, 6, 9, 12, 15, 18, 21, 24, 27, 30, 33, 36  
 33, 30, 27, 24, 21, 18, 15, 12, 9, 6, and  
 3, it's a magic number**
